VLADA BRUSYLO

(+64) 22 405 0826   *Auckland, New Zealand*   (E) vladochka.vb@gmail.com

SUMMARY OF QUALIFICATIONS

I have just graduated from EDENZ Colleges in Auckland and I am looking for work which would allow me to apply and develop my knowledge in the IT field. I have some experience in front-end development during my education at EDENZ colleges and freelance projects. With my skills and craftsmanship, I have applied my knowledge of software development to create web banners and applications. I enjoy putting myself in challenging positions, and I am looking for a creative work environment to enhance my expertise in web development and learn new skills.

Core Competencies

• Web banners creation • Front-End Development • Web Content Management • Landing Page Development • Website Optimisation • Web Scripting Technologies
